### Enjoy the Beauty of a Ride Through Hennepin Parks

More than 50 miles of groomed, marked snowmobile trails wind through the beautiful natural setting of eight Hennepin Parks facilities, and provide access to the network of public trails that surrounds the metro area. We hope you enjoy your trip through this natural beauty, and ask that you do your part in making the experience enjoyable for others. Please comply with the 30 m.p.h. speed limit, and use designated trails only. Hennepin Parks trails are open from 8 a.m. to 11 p.m. Sunday through Thursday, and from 8 a.m. to 1 a.m. Friday and Saturday. For more information about snowmobiling and other recreation opportunities in Hennepin Parks, address your questions to:

Or you may call (612) 559-9000.

### "SNOWMOBILING IS FUN FOR EVERYONE"

The advertisers on this map have contributed generously to help defray this cost. They are worthy of your patronage.  
**Minnesota Law 85.018, Subd. 5. Snowmobile Trail Use:**  
From December 1 to April 1 in any year no use of a motorized vehicle other than a snowmobile, unless authorized by permit, lease or easement shall be permitted on a trail designated for use by snowmobiles. ### NORTHWEST TRAILS ASSOCIATION WELCOMES YOU TO RIDE OUR TRAIL

- For your safety and enjoyment please observe the following:
- Do not wander off the trails. You have permission to ride the marked trails only.
  - Do not damage any trees, shrubs, etc.
  - Do not disturb wildlife or any livestock.
  - Deposit all trash in barrels provided.
  - Be careful when crossing roadways and cross only at 90 degrees.
  - Remember that lakes are never completely safe due to river channels and springs eroding the ice away from the underside.
  - Carry a compass when out in the woods or at night.
  - Remember all snowmobilers are judged by the actions of a few. Please do not cause any disturbances or damage any property.
  - Where trails follow public roads, obey all traffic laws and regulations, such as keep to the right, dim lights, etc.
  - Snowmobiles are prohibited from operating on certain public streets in many towns. When in these areas watch for marked streets or check with city officials.
