Welcome To The Northwest Trails Of Hennepin County

1991 - 0661

Start Out With The Best

You want your first snowmobile to be one that will last, like the Indy StarLite and Indy Lite.

Both come with Independent Front Suspension (IFS) and fan-cooled engines that run all day long. Light weight, comfort features and storage space to keep you going as long as you want. And a high flared windshield to direct the wind away.

All this at prices right out of your dreams. So what are you waiting for?

POLARIS
Believe It.

Enjoy the Beauty of a Ride Through Hennepin Parks

More than 50 miles of groomed, marked snowmobile trails wind through the beautiful natural setting of eight Hennepin Parks facilities, and provide access to the network of public trails that surrounds the metro area.

We hope you enjoy your trip through this natural beauty, and ask that you do your part in making the experience enjoyable for others. Please comply with the 30 m.p.h. speed limit, and use designated trails only. Hennepin Parks trails are open from 8 a.m. to 11 p.m. Sunday through Thursday, and from 8 a.m. to 1 a.m. Friday and Saturday.

For more information about snowmobiling and other recreation opportunities in Hennepin Parks, address your questions to:

Hennepin Parks
Box 47320
12615 County Road 9
Plymouth, MN 55447
Or you may call (612) 559-9000.

"SNOWMOBILING IS FUN FOR EVERYONE"

The advertisers on this map have contributed generously to help defray this cost. They are worthy of your patronage.

Minnesota Law 85.018. Subd. 5. Snowmobile Trail Use:

From December 1 to April 1 in any year no use of a motorized vehicle other than a snowmobile, unless authorized by permit, lease or easement shall be permitted on a trail designated for use by snowmobiles.

This is a Grants-in-Aid Trail System funded by the Department of Natural Resources (D.N.R.). The D.N.R. does not endorse any advertisers on this map. No reproduction in whole or part with out written permission from Northwest Trails Association.

THANK YOU FROM THE
NORTHWEST TRAILS ASSOCIATION

NORTHWEST TRAILS ASSOCIATION WELCOMES YOU TO RIDE OUR TRAIL

For your safety and enjoyment please observe the following:

- Do not wander off the trails. You have permission to ride the marked trails only.
- Do not damage any trees, shrubs, etc.
- Do not disturb wildlife or any livestock.
- Deposit all trash in barrels provided.
- Be careful when crossing roadways and cross only at 90 degrees.
- Remember that lakes are never completely safe due to river channels and springs eroding the ice away from the underside.
- Carry a compass when out in the woods or at night.
- Remember all snowmobilers are judged by the actions of a few. Please do not cause any disturbances or damage any property.
- Where trails follow public roads, obey all traffic laws and regulations, such as keep to the right, dim lights, etc.
- Snowmobiles are prohibited from operating on certain public streets in many towns. When in these areas watch for marked streets or check with city officials.

FUN IS NOT NECESSARILY MEASURED BY THE THICKNESS OF YOUR WALLET.

Polaris believes you shouldn't have to spend a fortune to have fun. Which is why we built the Sprint ES and the Star both full-sized snowmobiles, and the only machines in their class with Polaris' exclusive direct drive.

The Sprint ES is one of the lowest-priced twin-cylinder (340ccs) snowmobiles available, yet it comes with the kind of features the competition charges extra for: Electric key start and a speedometer are standard. For instance, the Star is the lowest-priced full-sized sled on the market, but it features the same hassle-free Capacitor Discharge Ignition and oil injection you'll find on all our other sleds, and a 244cc single-cylinder engine.

NOTHING BEATS THE WAY WE'RE BUILT.
