"SNOWMOBILING IS FUN FOR EVERYONE"

The advertisers on this map have contributed generously to help defray this cost. They are worthy of your patronage.
Minnesota Law 85.018. Subd. 5. Snowmobile Trail Use:
From December 1 to April 1 in any year no use of a motorized vehicle other than a snowmobile, unless authorized by permit, lease or easement shall be permitted on a trail designated for use by snowmobiles.
This is a Grants-in-Aid Trail System funded by the Department of Natural Resources (D.N.R.). The D.N.R. does not endorse any advertisers on this map. No reproduction in whole or part with out written permission from Northwest Trails Association.

THANK YOU FROM THE NORTHWEST TRAILS ASSOCIATION

NORTHWEST TRAILS ASSOCIATION WELCOMES YOU TO RIDE OUR TRAIL

For your safety and enjoyment please observe the following:

- Do not wander off the trails. You have permission to ride the marked trails only.
- Do not damage any trees, shrubs, etc.
- Do not disturb wildlife or any livestock.
- Deposit all trash in barrels provided.
- Be careful when crossing roadways and cross only at 90 degrees.
- Remember that lakes are never completely safe due to river channels and springs eroding the ice away from the underside.
- Carry a compass when out in the woods or at night.
- Remember all snowmobilers are judged by the actions of a few. Please do not cause any disturbances or damage any property.
- Where trails follow public roads, obey all traffic laws and regulations, such as keep to the right, dim lights, etc.
- Snowmobiles are prohibited from operating on certain public streets in many towns. When in these areas watch for marked streets or check with city officials.

The Deep End.

The Indy XLT RMK and XLT SKS. They're fast, lightweight and fully equipped to get you through the deep snow. • Liquid-cooled 597cc engine with Altitude Compensating Carburetor System (RMK only) • Improved XTRA-10 rear suspension • Indy XTRA-10 front suspension with 38" ski stance and 8.25" of travel (41" ski stance and 9.5" of travel on SKS).
