RIDE THE BEST

The Indy 500 and Indy 440. Each has a fiery, liquid-cooled twin, and smooth XTRA-10 suspension. The 500 also boasts the New Controlled Roll Center steering package. Two words: rock solid.

NORTHWEST TRAILS ASSOCIATION WELCOMES YOU TO RIDE OUR TRAIL

For your safety and enjoyment please observe the following:

- Do not wander off the trails. You have permission to ride the marked trails only.
- Do not damage any trees, shrubs, etc.
- Do not disturb wildlife or any livestock.
- Deposit all trash in barrels provided.
- Be careful when crossing roadways and cross only at 90 degrees.
- Remember that lakes are never completely safe due to river channels and springs eroding the ice away from the underside.
- Carry a compass when out in the woods or at night.
- Remember all snowmobilers are judged by the actions of a few. Please do not cause any disturbances or damage any property.
- Where trails follow public roads, obey all traffic laws and regulations, such as keep to the right, dim lights, etc.
- Snowmobiles are prohibited from operating on certain public streets in many towns. When in these areas watch for marked streets or check with city officials.
